

David Mazak
Vice President OEM Sales
Lincoln Electric

Dave started his career with Lincoln Electric in 1981 as a Sales Trainee in Lincoln's Sales Training Program. His first assignment took him to Chicago as a Technical Sales Representative. He went on to numerous management positions in Cincinnati and in Cleveland at Lincoln's Headquarters.

Currently, Dave holds the position of Vice President – OEM Sales at Lincoln Electric. In this position, he is responsible for building commercial relationships with Lincoln's valued End-User Customers.

Dave has a Bachelor of Science Degree in Civil Engineering from Valparaiso University.
