

# ARE YOU RUNNING YOUR BUSINESS OR IS IT RUNNING YOU?

Clarify.  
Simplify.  
Achieve  
your Vision.

## IS THIS YOU?

Many of the most successful entrepreneurs and business leaders work longer hours and get less return on their investments of time and money.

### Maybe you grapple with some of these challenges:

- **Lack of control** over time, markets, or your company.
- **People** who don't listen, understand, or follow through.
- **Profit** that's inconsistent and/or there's not enough.
- **Growth** is happening, but you can't break through to the next level.
- **Quick fixes** that come and go, bringing little change with continued frustrations.

## DON'T LET YOUR BUSINESS RUN YOU! Get a Grip on Your Business.

Are you a business owner or a senior-level executive and want to see your business consistently run better and grow faster? **Invite Catherine Juon to speak to you or your business group.** Catherine will deliver a powerful, inspirational presentation that will introduce you to the Six Key Components™ of a successful business.

***Catherine's interactive style and experience-based real-world insight makes this an eye-opening event for growth-oriented business leaders.***

At the conclusion of this complimentary workshop, you will walk away with a set of simple, practical tools that you and your leadership team will use immediately to focus on priorities, get clear on issues, and gain traction together, as a healthier leadership team.

### CATHERINE JUON Certified EOS Implementer®

*"We were introduced to Catherine for help transitioning from day-to-day leaders to advisors of our 53-year-old family business. The structure and discipline of EOS, combined with Catherine's coaching, made everything fall into place. We were surprised how quickly we started to see significant results. We wish we would have found EOS 10 years ago!"*

– LINDA MERLO  
Owner, Spot Imaging

*"After using EOS for three years, we thought we had it down cold. The difference between working with Catherine and self-implementing has been night and day. She helped us identify blind spots we didn't even know were there. If you're thinking about gaining true Traction, your first call should be to Catherine."*
