**MiTek**

Jason Hoover is the Senior Director, Structural Solutions at MiTek and has been part of the SidePlate team for 10 years. He holds a degree in Civil Engineering (Structures/Materials) from the University of Illinois at Urbana-Champaign and previously spent time in the construction software industry and as a consulting engineer in the Chicago area. He now lives in Medina, OH in a century farmhouse with his wife, two kids, two horses, two dogs, and two cats. “Free time” is mostly dedicated to house projects, but his family does break away for several camping trips each year.
