

Matt Brady
Midwest Regional Engineer
Sideplate

Matt Brady is a graduate of the University of Illinois at Urbana-Champaign (I-L-L!), he has journeyed through many disciplines of structural engineering, from designing bridges and buildings to forensic engineering and construction management. Before coming to SidePlate, Matt spent eight years being a champion of steel with AISC. Matt is a proud husband and father of four strong young ladies. He loves golf, running, and making food from scratch.
